FOR IMMEDIATE RELEASE: CFLC Announces its 1st Annual Oyster Roast at Historic Clarendon Plantation

Please join Cape Fear Literacy Council for its “1st Annual Oyster Roast” on Saturday, November 8, 2014 at historic Clarendon Plantation in Brunswick County. This will be a fun and casual celebration of literacy with a fantastic fall feast featuring oysters and all the fixings plus music, libations, games and more!

ABOUT THE OYSTER ROAST

The **CFLC 1st Annual Oyster Roast** is sure to please oyster lovers, history buffs and “Sleepy Hollow” fans alike with this rare glimpse of the grounds of Clarendon Plantation – a private historic waterfront estate that also serves as a filming location for the “Sleepy Hollow” television series. Learn more about this former rice plantation by clicking here for the [StarNews piece](#) by Ben Steelman or here for the [Salt Magazine article](#) (page 67-68) by Barbara Sullivan.

Gates will open at 4:30 PM so that our guests may enjoy the beautiful sunset along the Cape Fear River under a canopy of live oaks. There will be plenty of complimentary parking on the grounds of Clarendon Plantation and guests will be able to enjoy the roast in comfort – either under the stars or in heated tents. Guests will savor steamed oysters plus a menu of Brunswick stew, a veggie boil, salads, and luscious desserts, pairings of beer and wine, live entertainment, lawn games and more. Dress is casual -- so come ready to sip and shuck, kick up your heels and enjoy a wonderful autumn night on a beautiful historic estate.

Tickets are available for the Oyster Roast at www.cfliteracy.org or at (910)251-0911. Rain date is Sunday, November 9th at 4:30 PM. Clarendon Plantation is located at 2260 River Road SE in Winnabow, NC just 10 minutes over the Cape Fear Memorial Bridge near Leland.

ABOUT THE FUNDRAISER

Tickets to the **CFLC 1st Annual Oyster Roast** are \$80 each, \$150 for a pair. Your donation of \$150 will provide an adult learner with nearly three weeks of one-on-one tutoring plus instructional materials. This includes crucial reading, writing, math, English language and technology skill training necessary for our students’ success in jobs, helping with children’s homework/education, and being actively engaged in our community!

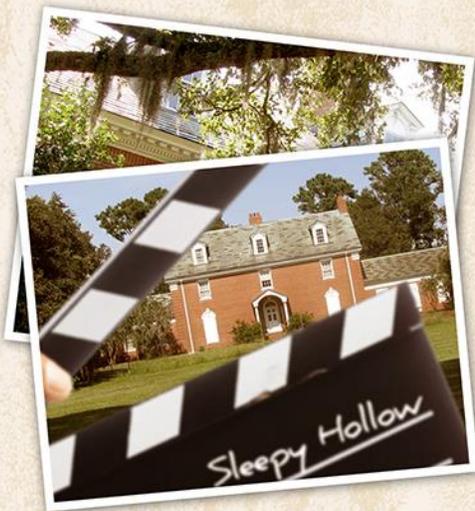

CFLC’s vision for the Cape Fear area is a community in which illiteracy has been eradicated. Instruction for adults includes free and confidential, individualized, 1-to-1 and small group instruction to native-born adults working to improve their reading, writing, spelling, and math skills; and international adults working to improve their English communication skills.
