OUR MISSION: TO PROVIDE PERSONALIZED EDUCATION SO ADULTS CAN TRANSFORM THEIR LIVES AND CONTRIBUTE TO A STRONGER COMMUNITY.

2020 ANNUAL REPORT

WWW.CFLITERACY.ORG | 910.251.0911 | INFO@CFLITERACY.ORG

Our vision: A community in which all adults have the literacy skills they need to succeed.

THE STORY OF 2020

When the plan didn't work, we changed the plan. Not the goal.

Dear Friend of Literacy,

Despite many hard lessons that 2020 taught us all, our resilient non-profit experienced some significant positives:

- We served 574 adults in our program year that ended June 2020. That's the most students we've served in a single year in our 35-year history.
- We met our financial goals even though we had to cancel both of our major fundraising events this calendar year. This is due to the extraordinary generosity and dedication of the contributors you will see listed in this report. We cannot say it enough... THANK YOU!

Adapting our programs was simultaneously inspiring and challenging. After the shut-down, we transitioned our Adult Literacy, ESL, and US Citizenship programs to being primarily online, and we have been very pleased by how well it works for many of our learners and volunteers. Unfortunately, though, not all of our students were able to make that leap, including many who are most in-need of educational support.

Similarly, our Computers on Wheels program, which had an incredible growth rate before March, has been on hold because personalized instruction often requires close contact.

As we look forward, we will continue to evolve and do our best. We cannot wait for the day when we can have more in-person opportunities, especially to have students and volunteers back on campus, but also to reconnect with the community that cares so deeply about our mission and keeps us going.

Thank YOU and be well,

Yasmin Tomkinson

FINANCIAL REPORT

CFLC GIVING & DEVELOPMENT

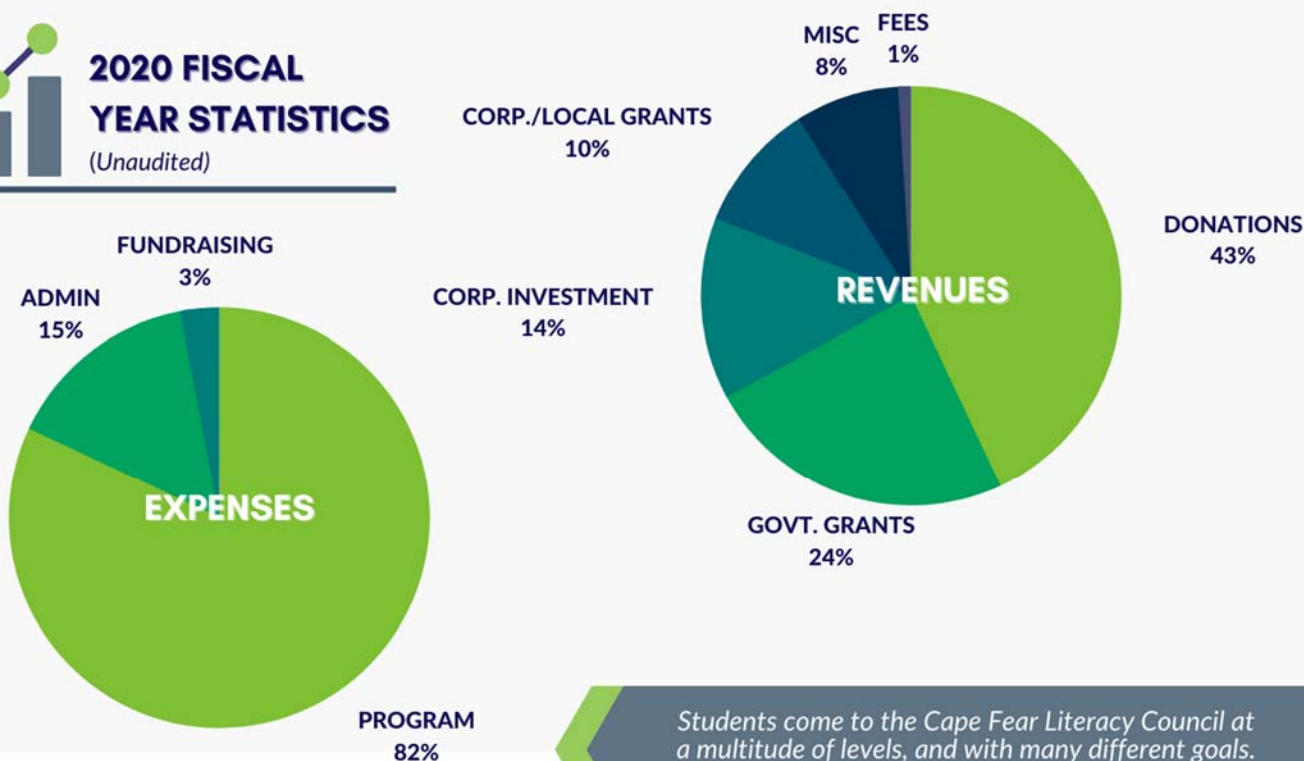

With the help and support of our donors, sponsors, and community partners, the Cape Fear Literacy Council works to address one of the most important silent crises of our age: **adult low literacy**. We are a nationally-accredited and award-winning 501(c)(3) non-profit organization that has been serving our community for more than 35 years.

We are the only educational institution in the area that provides FREE, individualized adult literacy services. **100% of our support stays local**. Our supporters' ROI is 33 to 1 -- For every \$1 invested in literacy programs, there is a \$33 benefit to our regional economy. [Source: ProLiteracy]
