# A STATEMENT FROM LEADERSHIP

*Cape Fear Literacy Council's Executive Director and Board President reflect on successes and growth*

Dear Friend of Literacy,

2023 proved to be a year full of exciting progress and tremendous growth for the Literacy Council.

We continue to expand and improve our programming, securing funding and personnel to re-launch our popular evening ESL classes and our Computers on Wheels (COWs) digital literacy program. In April, we were proud and grateful to host our best-attended and most successful Literacy Luncheon ever! From the inspiring speakers to the incredible fellowship among the 400+ guests to the overwhelming financial support, it was a wonderful event in every way. **We can't wait to celebrate with you again at our 2024 Luncheon on April 23, featuring National Book Award winner Jason Mott.** There is more information on our website about this event and more.

Last year saw several staffing changes at CFLC: Joey Jackson joined the program team in a new role dedicated to improving our community outreach and strengthening our partnerships. Emily Mitchell has recently hit the ground running as the new full-time Development Director, as our beloved Erin Payne leaves us after a decade of service. Lastly, thanks to the generous support of the New Hanover County Endowment, we have contracted a strategic consultant to help us plan for future growth.

CFLC's leadership team continues to strengthen and diversify as we welcomed new board members Karin Carson, Marrio Jeter, Caleb Rash, and Alondra Vazquez. We would like to thank Alex Umstead-Wrenn for her extraordinary impact as board president over the past two years, and we are grateful that she will remain on the board for a little while longer!

Our work is not done, and as we reflect on a busy year, we are confident that we are laying today's groundwork to meet tomorrow's challenges. Thank you for being part of the CFLC community; we could not do our good work without your support!

ADULT LITERACY & ENGLISH AS A SECOND LANGUAGE

Cape Fear Literacy Council provides free and confidential instruction to adults — age 18 and older — who have educational goals that are personal or academic.

We offer 1-on-1 tutoring and small classes for:

- Reading, Writing, and Math
- Digital Literacy
- English as a Second Language
- GED® and Test Preparation
- U.S. Citizenship Exam Preparation

Our programs rely on volunteers to help adult learners in the region. We offer tutor training workshops throughout the year, both in-person and online.

For information about becoming a volunteer tutor in either of our programs, find details online at [cfliteracy.org](http://cfliteracy.org) or email [info@cfliteracy.org](mailto:info@cfliteracy.org).

## 2022-2023 PROGRAM SNAPSHOT

### CAPE FEAR LITERACY COUNCIL IS PROUD TO PRESENT OUR ANNUAL REPORT FOR 2023.

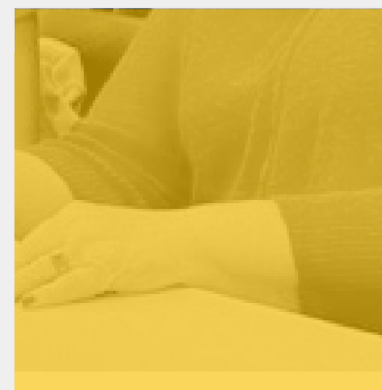

This report highlights the results and achievements of our programs in serving adult learners in the Wilmington community.

"The public needs to know that we are not here at the Literacy Council because we are ignorant or simple-minded.

**We are here to learn and to expand our lives.**  
There should be no stigma associated with coming to CFLC!"

I'm grateful the classes are free because I really need this help.

**I need to learn English so that I can get a better job to provide for my daughter."**

-ESL Student

"My student has been speaking English in public and at home for many years, but she never learned how to read or write in English.

Today at the library, she surprised us both because she actually read... and wrote.

"I'm reading!" she exclaimed with pride, surprise and enthusiasm. In the past year, she went up three grade levels on her test! **It is amazing to see her confidence bloom."**

-ESL Tutor

"I just wanted to thank you all for being here, for supporting me in getting my GED, for changing my life.

**I got a job;  
I'm a college student now.**

And you being here and keeping me on task really made that happen. I wouldn't be where I am today without your help."

# ANNUAL FUND GIVING & FINANCIALS

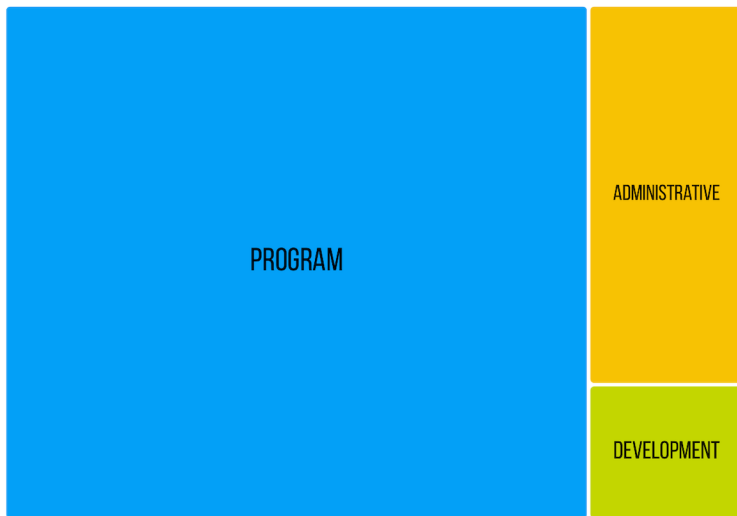

With the help and support of our donors, sponsors, and community partners, the Cape Fear Literacy Council works to address one of the most critical silent crises of our age: **adult low literacy**. We are the only educational institution in the area that provides FREE, individualized adult education services.

Our organization could not exist without volunteers. Last year, 160 volunteer tutors/teachers invested 10,697 hours of service to benefit our students. (Independent Sector valued this contribution at \$340,165.) 100% of our support stays local. Our supporters' ROI is 33 to 1 — every \$1 invested in literacy programs has a \$33 benefit to our regional economy. [*ProLiteracy*]

**The Cape Fear Literacy Council and our partners host fabulous annual events in the greater Wilmington area!**

From the Luncheon for Literacy in the spring and the Adult Story Hour speaker series in the fall to our monthly book swaps and semi-annual book sales, we offer events for all ages and interests.

**Teach an adult.  
Inspire the world to change.**

*Adults across our region need help to gain basic literacy, language, math, or computer skills that will enable them to succeed as workers, parents, and community citizens.*

When adults reach their educational goals, their families and communities grow stronger!

With the critical support of our dedicated volunteers, we can make a difference.

Volunteers are vital to the success of Cape Fear Literacy Council's students and programs.

They bring optimism and enthusiasm, create positive energy, and share diverse perspectives that lead to enhanced learning outcomes for students.
