

ANNUAL REPORT 2024

Cape Fear Literacy Council's mission is to provide personalized education so adults can transform their lives and contribute to a stronger community.

At the Cape Fear Literacy Council (CFLC), we envision a community where all adults have the language and literacy skills they need to succeed.

We offer FREE assessment and tailored instruction to adults through one-on-one tutoring and small classes. CFLC's adult education programs include Adult Literacy, English as a Second Language (ESL), and Digital Literacy. Each year, hundreds of adults enroll in CFLC's programs, working to improve their educational skills and achieve personal or work-related goals.

The Literacy Council was founded in 1985 and is an award-winning 501(c)3 nonprofit organization. Find out more about our programs, events, and service opportunities on our website at www.cfliteracy.org.

“

I have to take a minute to breathe so I don't cry, but I just want you to know how much I appreciate this. That you all take the time to help people – that this place exists.

It matters that we have this connection and people like me can get help and learn here. No one acts like they're better than anyone else; it's just a way we can all share.

A Letter from Leadership

Dear Friend of Literacy,

Thank you for another incredible year! Whether you are a volunteer, donor, advocate, or other supporter, you have helped the Literacy Council remain an impactful and reliable resource for the adult learners in our community. As our organization heads into its 40th year in 2025, we are proud to look back at all we have accomplished together.

Last year CFLC served 604 students—our highest number ever! Those students came from 45 countries, spoke 30 different languages, and received more than 12,000 hours of instruction from our tutors. Most importantly, 99% of students with enough instructional hours reported a positive life-change after learning at CFLC, which is the best outcome we could imagine.

2024 was a banner year for events for the Literacy Council. In April, more than 400 guests gathered at the annual Luncheon for Literacy, raising more than \$130,000 for our programs. We partnered with local breweries Hi-Wire and Seven Mile Post Pub to host three book sales—and even added jigsaw puzzles to our December sale! The third annual Adult Story Hour was our most successful series yet, with sell-out crowds enjoying the speakers each night at Bill's Brewing Company. We love seeing so many of you at these events throughout the year; please visit our website to find out what's coming in 2025!

We also welcomed some new faces in 2024. After eight years of dedicated service, Alesha Westbrook left CFLC last fall, and we are excited to introduce Angela Fernot, our fantastic new full-time Director of Communications. CFLC's Board of Directors added several new members last year: Caroline Gann, Hannah McGee, Maria Smith, and Angelo Williams bring a wealth of experience and perspective to our team. We will miss Marlon Ramos, Anne Stokley, and Alexandra Umstead-Wrenn, and thank them for their years of extraordinary leadership.

As CFLC continues to expand, we are committed to growing strategically and responsibly. Thanks to funding from the New Hanover County Endowment, we are working with a Change Management consultant to help improve our infrastructure, measure what matters, and focus on program integrity. This process has been challenging at times but is an important step in securing a strong foundation for CFLC's future success.

As we look forward to our 40th birthday, we know that none of this would be possible without your continued support. **Thank you for being part of the CFLC story, and cheers to the next 40 years!**

Annual Giving & Financials

With the help and support of our donors, sponsors, and community partners, the Cape Fear Literacy Council works to address one of the most critical silent crises of our age: **adult low-literacy**. We are the only educational institution in the area that provides FREE, individualized adult literacy services.

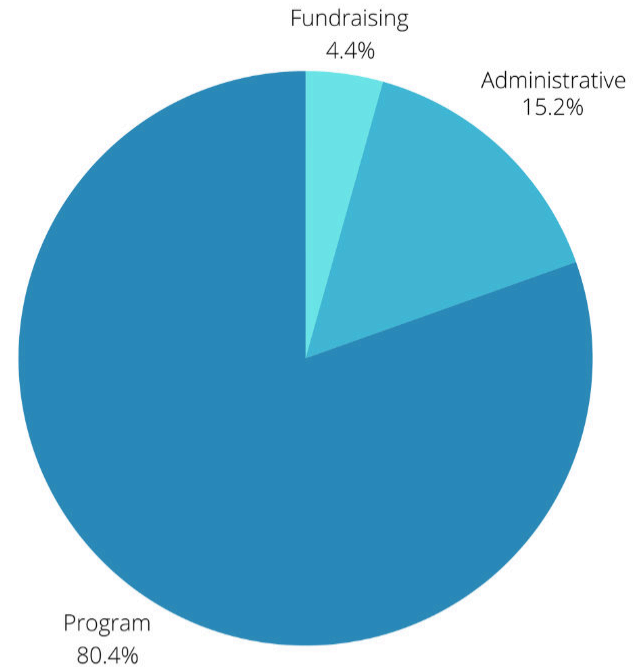

100% of our support stays local. Our supporters' ROI is 33 to 1—every \$1 invested in literacy programs has a \$33 benefit to our regional economy. (Source: ProLiteracy) This year, 170 volunteer tutors invested 11,182 hours of service to benefit our students, an in-kind value of \$374,485. (Independent Sector)
